## COUNTY CONVENTIONS.

EXTRACTS FROM THE GENERAL LAWS OF NEW HAMPSHIRE.

The County Convention shall consist of the representatives of the towns of the county. They shall meet on the second Wednesday of the June session of the General Court, or other day in the same week, shall choose a chairman and clerk, and may adjourn as they see cause.

The County Convention shall appoint two auditors biennially, one each from the two leading political parties, for the two years next following, whose duty it shall be to examine the accounts of the county commissioners and county treasurer, &c.

The County Commissioners shall furnish said auditors all the aid and information required by them in the performance of their duties, and shall recommend to the county convention the sum necessary to be raised for the county for each of the two years ensuing, stating in detail the objects and purposes for which the money is to be appropriated and applied.

The County Convention for each county shall, during the session of the Legislature, raise or grant a county tax for its county for two years; but the tax for each year shall be voted separately for that year, and shall be collected for the year in which it was voted.

The sheriff, the jailer, the physician, the clerk of the court, the solicitor, the treasurer, the county commissioners, and the superintendent of the county farm, of each county, shall make up their reports, separately, to May first, annually, and the same shall be printed together in pamphlet form, in said month of May, and said reports shall be distributed as now provided by law.

The reports of the several officers named shall contain a summarized account of all their transactions which concern the county, for the current year, ending as aforesaid, and the report of the superintendent of the county farm shall contain, in addition, a list of the paupers actually supported at the farm, and the number of weeks each was so supported; and also, a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculation was made.

# COMMISSIONERS' REPORT.

---

TO THE LEGISLATIVE COUNTY CONVENTION :

In compliance with the laws of New Hampshire we submit the following report of the county matters in our care, including the report of the Superintendent of the County Farm and House of Correction, Physician and Chaplains, Sheriff and Jailers, Solicitor, Clerk of the Supreme Court and Treasurer of Rockingham County.

There have been no heavy extra expenses the past year; generally the year has been favorable, resulting in another reduction of the weekly cost of supporting the inmates at the County Farm. Also, a large payment has been made on the county debt, as will be seen by the treasurer's report.

The House and Farm in their various departments have been conducted by Superintendent Scott and wife with their usual efficient management and discipline. The inmates have been well cared for, and a careful regard maintained for the interests of the county.

There are a large number of children in the House, for whom three terms of school have been kept, taught by Miss A. S. Tucker, of Portsmouth. The school was very successful and met the approval of the superintending school committee of the town.

With their usual faithfulness, Drs. Burnham and Spaulding have continued to care for the sick and insane. Religious services have been held regularly by Chaplains Newhall and Ober, and by City Missionary Loyne of Portsmouth.

Several persons have kindly contributed books, papers, cards, etc., during the year: among others we would acknowledge a liberal donation from Col. William H. Hackett.

With the concurrence of the Treasurer, we would recommend that the following appropriations be made for the year 1882, and the same for the year 1883:

## PHYSICIANS' REPORT.

---

TO THE COMMISSIONERS OF ROCKINGHAM COUNTY :

*Gentlemen:* In compliance to custom, we present the eleventh annual report of the medical department and sanitary condition of the County Almshouse, House of Correction and Insane Asylum for the past year. At intervals during the year there has been considerable sickness among the inmates of the institution, though no epidemic has prevailed; the diseases being such as are common among the class of people gathered here. The mortality rate has not been as high as that of the previous year. The mortality has been confined mostly to the aged and those of shattered constitutions. Several, when admitted, had fatal diseases preying upon them and soon died. The death rate among such must necessarily be high. The entire buildings have been sufficiently heated, properly ventilated and kept in that degree of cleanliness conducive to the comfort and health of the inmates. The usual good management of the institution has been well sustained.

The sick and insane have been well cared for, and their condition made as comfortable as possible. There are now in the Insane Asylum forty-seven patients, a decrease of ten since last report, males fifteen, females thirty-two. The insane, mostly chronic cases, are apparently contented and as comfortable as they could anywhere be.

There have been five births and twenty-one deaths in the institution during the past year :

Samuel Dearborn, insane, died May 17, 1880, of typhoid pneumonia, aged 78. Admitted Dec. 26, 1878; from Hampton.

Patrick Mead, died June 23, 1880, of psoas abscess, aged 37; admitted Oct. 14, 1879; from Portsmouth.

Samuel Emerson, died Aug. 16, 1880, of consumption, aged 62; admitted June 17, 1879; from Raymond.

Waty Cass, insane, died Aug. 23, 1880, of paralysis, aged 72; admitted Feb. 16, 1875; from Candia.

Sarah H. Pool, insane, died Aug. 26, 1880, of softening of the brain, aged 73; admitted April 12, 1880; from Epping.

Thomas Cooper, prisoner, died Oct. 2, 1880, of typhoid fever, aged 30; admitted Aug. 13, 1880; from Portsmouth.

William Malloy died Oct. 15, 1880, of dropsy from disease of kidney, aged 62; admitted Feb. 26, 1880; from Kingston.

Benjamin Burk, insane, died Oct. 17, 1880, of epilepsy, aged 47; admitted Jan. 10, 1878; from Concord Asylum.

Joseph Morgan, died Oct. 21, 1880, of general debility, aged 67; admitted April 22, 1869; from Portsmouth. First man admitted to the institution.

Joseph C. Newton, died Dec. 6, 1880, of general debility, aged 61; admitted July 11, 1880; from Portsmouth.

Benjamin Kenniston, died Dec. 29, 1880, of consumption, aged 35; admitted Oct. 12, 1869; from Newmarket.

Ezekiel Clough, died Feb. 8, 1881, of general debility, aged 76; admitted Jan. 3, 1881; from Brentwood.

Larry Forrest, died Feb. 16, 1881, of pulmonary hemorrhage, aged 72; admitted Sept. 28, 1869; from Portsmouth.

Samuel Hoag, died Feb. 19, 1881, of disease of heart, aged 58; admitted May 1, 1877; from Northwood.

David McDuffee, died March 11, 1881, of consumption, aged 72; admitted Jan. 29, 1876; from Candia.

Frank Flanders, died March 19, 1881, of marasmus, aged 20; admitted Sept. 30, 1869; from Chester.

True Buzzell, died March 30, 1881, of abscess of prostrate gland, aged 80; admitted May 1, 1876; from East Kingston.

George E. Stuart, died April 7, 1881, of dropsy from disease of heart, aged 43; admitted March 29, 1881; from East Kingston.

Of those who died, one was 80 years of age, eight over 70, four over 60. Five were insane. One died in less than one month after admission, three in less than two months.

We would again acknowledge the courtesy and kindness of Superintendent and wife in their cooperative effort in caring for the sick and in the discharge of our duties.

Respectfully submitted.

## CHAPLAINS' REPORTS.

---

TO THE HON. COMMISSIONERS OF ROCKINGHAM COUNTY :

*Gentlemen:*—During the six months which have elapsed since our last report, there has been preaching as usual twice in each month, accompanied, generally, with singing by the choir of the Baptist church. Religious calls to the number of thirty-four have been made, mostly upon the sick. We have attended but five funerals during this period; a smaller number than we have been called to attend during any previous six months.

In response to the calls for donations of interesting and useful reading, a lady of this town has kindly presented a large number of copies of the Illustrated Christian Weekly, a favor which has called forth the heartfelt thanks of many readers; We hope that such favors will be repeated; and also the gifts of fruit, confectionery, little books and cards, which at Christmas and at other times have so cheered the hearts of those who are in little danger of having too much sunshine.

Respectfully submitted,

C. NEWHALL.

---

TO THE HON. COMMISSIONERS OF ROCKINGHAM COUNTY :

*Gentlemen:*—In presenting my second semi-annual report, I would say that before virtually entering upon my duties as chaplain at the county farm, I had opportunity to address

the inmates, and was also present and preached on the last Sunday my predecessor, the Rev. C. Newhall, was here. Since then, with exchanges, I have conducted the chapel services, and am pleased to feel that I have succeeded beyond expectation in stimulating and holding the attention of so large a class of unfortunates—weak both in mind and body. I have sought faithfully to impart healthful moral and religious instruction by personal visitation in the hospital, schoolroom and among the inmates generally, and by miscellaneous reading, beside the chapel services. The last Sunday in April showed an increasing interest in my work on the part of the neighbors and friends of the institution, not less than two hundred being present, which is remarkable. With new selections and additional voices the singing has been delightful.

GEORGE OBER, *Chaplain*.

BRENTWOOD, April 30, 1881.

## SHERIFF'S REPORT.

---

TO THE CHAIRMAN AND BOARD OF COUNTY COMMISSIONERS :

*Gentlemen* :—It becomes my duty, and I have the honor, to respectfully submit to you my fifth annual report of criminal matters connected with this office, up to and including date.

At the submitting of my report one year ago to-day, there were confined in the jail at Portsmouth 8 prisoners, and at the Exeter jail 4 prisoners.

Since then, and to the date hereof, there have been committed at Portsmouth 71 prisoners, and to the jail in Exeter 28 prisoners, for the various offences hereinafter noted, viz. :

### PORTSMOUTH JAIL.

Adultery,	1
Arson,	1
Assault,	4
“ indecent,	2
“ felonous,	1
“ aggravated,	1
“ on officer,	3
“ with intent to kill,	1
Bigamy,	1
Breaking and entering and larceny,	5
“ “ “ horse stealing,	1
Disorderly house,	4
“ conduct,	1
Debt,	1
Delinquent tax,	2
Drunkenness,	19

In transit,	1
Larceny,	9
Malicious mischief,	7
Murder,	1
Tramps,	2
Trespass,	1
Vagrant,	2
Highest number in jail at one time,	29
Lowest      "      "      "	8
Males,	67
Females,	4
American,	53
Foreign,	18
Average,	16
At present in jail,	14
Conveyed to State Prison,	7
"      Reform School,	2

The expenses of the jails, as made in this year's report of the Commissioners, include 13 months, inasmuch as the month of April of last year was not rendered in time for publication in that report. It will be seen, however, that notwithstanding this, the outlay is materially less—as follows :

PORTSMOUTH JAIL.		EXETER JAIL.	
1879.	1880.	1879.	1880.
\$3,631.23.	\$3,283.61.	\$2,009.88.	\$1,731.43.

The Court expenses (including my own salary, \$300.00) have increased from \$2,263.08 in last year's report, to \$2,661.55 in this year's report. This increase is accounted for by the fact that the Treasurer and Commissioners have included in this report the expense (\$840.92) of the term of court now in session; otherwise the exhibit would show a reduction of Court expenses (Sheriff, deputies, &c.) of \$442.45.

Advantageous repairs have been made at both jails, such as were absolutely needed for the protection of the property, and a new brick sidewalk laid in Portsmouth, as authorized by the city.

At the disaster of the burning of Kearsarge Mills the

property was in great danger, and the force pump and hose supplied by the Commissioners two years since came in active play and paid a thousand fold interest. Although of small size and force, this is the second time it has been effective.

City Missionary Loyne officiates at the Sabbath day exercises. The following named ladies and gentlemen have kindly contributed appropriate reading matter for the Portsmouth jail: Mrs. Albert L. Jones, Miss Elizabeth Pearson, Mrs. John T. French, Mr. and Mrs. John Sise, Col. William H. Hackett, Rev. Mr. Elwyn, Edward P. Kimball, Esq., Hon. Wm. H. Sise, Lewis W. Brewster, Esq., Mrs. O. M. Knight, Ezra H. Winchester, Esq., and last, though not least, Alfred W. Haven, Esq., who, when able, always makes a Sunday morning call.

It will be observed that the number of "drunks" committed to Portsmouth jail are in excess of last year. These were made up, principally, of non-resident tramps, who begged money and got drunk and disorderly, expecting to be sent to Brentwood, where they had found a winter's home before. Police Justice Batchelder, however, prevented the carrying out of their intentions and gave them "jail sentence," and when discharged, the Supreme Justice has remitted their costs on the provision that they leave the State permanently.

As to the sanitary condition of the jail, I refer you to the physician's report, which I make a part of this: and I append and make also a part hereof the report of Deputy-jailer Hoyt, at Exeter.

"At the expiration of another year it is my duty to report the condition of the jail at Portsmouth and its inmates during the past year.

There is little of interest to report, save that the sanitary condition of the institution has been good. No severe or protracted sickness, and no deaths. These fortunate results come, no doubt, of cleanliness, proper healthful food, and careful, judicious oversight generally, in the management of the institution.

Respectfully submitted.

J. F. HALL, M. D."

## COUNTY TREASURER'S REPORT.

---

TO THE COUNTY COMMISSIONERS FOR THE COUNTY OF ROCK-  
INGHAM :

*Gentlemen:* My report for the year ending May 1, 1881, herewith submitted, shows a reduction of the debt amounting to \$27,700.71. There will be money in the Treasury to pay the \$29,600 bonds due in October, but it will be necessary to make a temporary loan before the year is ended. This can be done, and the notes be paid when the tax for 1882 is due. A small appropriation for the years 1882 and 1883 for that purpose would easily wipe out any floating debt that it may be found necessary to create this year. In making your estimates for the amount necessary to be appropriated for the years 1882 and 1883, it will not be safe to base them upon the expenditures for the year just ended. The Court expenses for the year have been unusually small. The Jury Pay Rolls and the State Pay Rolls together amount to \$5,216.06. For five years preceding this the average per year has been \$10,686.66. If several of the most important criminal cases had not been disposed of the past year without a Jury trial the court expenses must have come up to the average.

Respectfully submitted.

GEO. E. LANE, TREASURER.
